THE WESTERN TOWNS.

Winslow, Holbrook, Willians, Flagstaff and Kingman.

INTERESTING NOTES FROM GALLUP.

WINSLOW From the Mail.

E. A. Sawyer returned from an extended trip to Los Angeles much improved in health. Tommy Hesser was somewhat in disposed, but we are glad to announce there was nothing of a serious nature

in his indisposition. We understand there is to be a new saloon in Winslow on or about the 12th inst. We are decidedly of the opinion that the saloon business is being overdone. But the "survival of the littest, or the one with the long out purse will be the result.

Five cent beer cannot be sold in Winslow. Freight charges are too high. Anyone who undertakes to cu prices in this line, will come out a the small end of the horn, is our pre-We use too far removed from the east and the cost of delivering goods is too great to come to easter

HOLBROOK.

From the Argus-The new school board recently ap-pointed are I. E. Divelbess, F. P. Scorist and J. T. Egger.

It is to be a very large building and will cover a great deal of ground. It is being built of Portland cement and will be made on the style of the Castenada in this city. When completed it will be one of the most substantial and costly buildings of that city, and will probably lead to the computation of the district can have computative accommodations.

INTERESTING CASES.

The Trial of Two Physicians Before Justice Crawford This Morning.

A FINE LEGAL POINT.

Yesterday afternoon upon information furnished Dr. John Fascher and Dr. G. W. Hope, the local members of the tetritorial board of health, Dr. C. T. Phillips, who has been a resident of this city for several years, and Dr. Francisco Hermidas, a late arrival from Mexico, were arrested by Policeman Martinez, charged with practicing medicine without certificates from the heard, although bot hem to be graduates of well outs) shed and regular medical colleges The two doctors were taken befor Justice Crawford and were placed ur pearance for trial this taorning. The promptly found bondsmen, and at 1 o'clock this morning both gentleme were in court and there were other

also in attendance TRIAL POSTPONED. Dr. Hermidus stated that if he had violated the medical law it was through ignorance. He did not know to whom to go to here to obtain a certificate and had sent his papers to Santa "e at the suggestion of a local physician. He then continued to practice medicine awaiting the return of oper certificate, which was follow d by his arrest yesterday afternoon A continuance of his care was grante until Thursday, June 20. br. Hermi-das has been here about a month tice among the poor people of the val-ley. He is a learnest physician, having practiced medicine in Europe, Cal ifornia and in his native country of tion men. One of the largest bridge of its kind in the country has been

THE PHILLIPS CASE. The facts as disclosed at this trus are that Phillips is a graduate of the rial fair in October. They expect to Louisville, Ky, medical college, and have 'doins' that will include a bandar of health instance of the New Y-xieo quet that will eclipse anything ever board of health instance him a certificate entitling him to practice medicine in this territory. Dr. Phillips has been practicing ever since that time. About two years ago the of health attempted to revoke his ficense for alleged "unprofessional" ficense for alleged up to conduct (the doctor had rigged up wagon and was going through the coun try curing people and had announced that he believed in advertising); but this is the first prosecution although Phillips has been in active practice ever since that time. The main ques tion argued was the power of the board of health to revoke the license it being contended on behalf of Phil lips that the right to practice his pro-fession is a valuable right and caunot be taken away from him without due process of law, that due process of law can be had only in the judicirl viz., the supreme, district and probate that the territorial legislature has no
